OFFICE & FINANCIAL POLICIES

Welcome to our Practice. Our goal is to provide exceptional dental care for you and your family in a relaxed and pleasant environment. To provide you with a full understanding of our office and financial policies, kindly review and sign below. We appreciate the opportunity to serve you and thank you for choosing us to take care of your dental needs.

FINANCIAL POLICY: (please initial) _____

To provide the best service possible, payment, including deductibles and the estimated amount not covered by your insurance will be due at the time of service.

For your convenience, we accept cash, personal checks, Visa, Mastercard, Discover, American Express, and Care Credit. Third Party Financing is subject to credit approval and additional fees may apply.

Due to contractual obligations, we are required to charge fees based on the insurance company's determinations and third-party financing. No additional discounts can be applied.

A service fee of $35 will be applied to the account for handling any returned checks.

If your account becomes delinquent, it may be forwarded to an outside collection agency. If this happens, you will be responsible for all costs of collection, including but not limited to, interest, rebilling fees, court fees, attorney fees, and collection agency costs.

INSURANCE POLICY: (please initial) _____

If you have insurance benefits, we will gladly submit claims are your behalf. Your estimated copayment (the amount not covered by your insurance) for treatment is due at the time treatment is provided.

If you fail to provide the required insurance information, we will ask that you pay the bill in full at the time treatment is provided. If insurance is provided post procedure, and within the insurance company's statute of limitations, we will submit a claim on your behalf and reimburse once payments have been made.

As a courtesy, we will contact your insurance company, however, we are not responsible for inaccurate estimates (written or verbal) of coverage given to us by your insurance company. If coverage is denied, for any reason, you will be responsible for payment of the full cost of the treatment rendered and any outstanding amount.

Our office will not enter into a dispute with your insurance company over any claim. We will, however, provide the necessary documentation your insurance company requests to settle the claim.

APPOINTMENT POLICY: (please initial) _____

Operative rooms, instruments, and personnel are reserved exclusively for your appointment. There is a $50 charge for canceled, missed (No Show), or rescheduled appointments with less than 24 hours' notice. Repeated instances of failed appointments without 24 hours' notice will result in dismissal from the practice.

I have read, understood and agree to the terms and conditions stated in this policy.

GENERAL DENTAL TREATMENT CONSENT

PLEASE READ AND INITIAL BELOW

It is very important to provide your child's dentist with accurate information before, during, and after treatment. It is equally important to follow your child's dentist's advice and recommendations regarding medications, pre- and post-treatment instructions, referrals to other dentists or specialists, and to return for scheduled appointments. If you fail to follow the advice of your child's dentist, you may increase the chances of a poor outcome. Noncompliant patients may be dismissed from the practice.

_____ **CONSENT** I confirm that I am the legal guardian of the child referred to in the following consent statements as "my child" and am legally able to give consent for treatment.

_____**EXAMINATION, PREVENTATIVE CARE, TREATMENT, AND X-RAYS** I understand that during the course of my child's treatment that the following care may be provided: examinations, preventative services, diagnosis, fluoride, sealants, extractions, basic restorative, crowns and pulp treatment and space maintainers. I understand that my child's initial visit and periodically thereafter, or as needed, radiographs may be required in order to complete the examination, diagnosis, and treatment plan.

_____**DRUGS AND MEDICATIONS** I understand that my child may receive a local anesthetic and/or other medication, including nitrous. In rare instances, patients may have a severe reaction to the anesthetic, which may require emergency medical attention, or find that it reduces their ability to control swallowing. This increases the chance of swallowing or aspirating foreign objects during treatment. Rarely, temporary or permanent nerve injury can result from an injection.

_____**RESTORATIVE TREATMENT** I understand that my child may experience hot and cold sensitivity, pain, or discomfort following routine restorative procedures and that this is usually temporary and should settle without further treatment. If in the event that my child's condition does not get any better, I understand that my child may need further dental treatment, the most common being root canal therapy, resulting in additional costs. I understand that care must be exercised in chewing on the new filling during the first 24 hours to avoid breakage. I also understand the routine use of "tooth pillows" (mouth props) may be necessary to be sure my child does not accidentally close their teeth while an instrument is in their mouth that could harm them.

_____**BEHAVIOR** I understand that it is not an uncommon response for children to cry before or during dental treatment or directly afterward when they see their parent. I understand that should my child become uncooperative during the dental procedures it may be necessary for the assistant(s) or doctor to hold the patient's hands, stabilize the head, and/or control leg movements for their safety. I understand that should my child become uncooperative during the dental procedures with excessive body movements, or is not able to tolerate the procedure, the treatment would be stopped, and an alternate treatment plan will be discussed.

_____**GENERAL RISKS OF DENTAL PROCEDURES** General risks include (but are not limited to) complications resulting from the use of dental instruments, drugs, medicines, analgesics (pain killers), anesthetics, and injections. These complications include pain, infection, swelling, bleeding, sensitivity, numbness and tingling sensations in the lip, tongue, chin, gums, cheeks, and teeth; thrombophlebitis (inflammation to a vein), change in occlusion (biting), muscle cramps, and spasms; temporomandibular jaw (TMJ) joint difficulty, loosening of teeth or restoration in teeth, injury to other tissues; and referred pain to the ear, neck and head, nausea, allergic reactions, itching, bruises, delayed healing, sinus complications, and further surgery.

_____**CHANGES OR ALTERNATIVES IN TREATMENT PLA**N I understand that during my child's treatment it may be necessary to change or add procedures because of conditions found while working on the teeth that were not discovered during examination, the most common being root canal therapy following routine restorative procedures. I understand that I have the right to choose from alternate treatment plans that meet professional standards of care, and I have no further questions.
